

# Pay Your Taylor Public Library Fines with PayPal

The Taylor Public Library now allows payment via PayPal, using your PayPal account, your credit card or debit card. You can do this anytime online or in the Library using one of the Card Catalog computers.

Get started by logging in to your TPL Account, using your library card number and your 10 digit phone number (no dashes). If you have created your own password, use that instead of your phone number.

The screenshot shows the Taylor Public Library Catalog login page. At the top, there is a search bar with the text "Find: Enter Your Search Here!" and a dropdown menu labeled "Search All Fields". Below the search bar are buttons for "GO!", "CLEAR", "Help", and "More Search Options". To the right of the search bar is a login section with two input fields: "Card Number" and "Phone Number or Password". Below these fields are "LOGIN" and "CANCEL" buttons. A red arrow points to the "Card Number" field.

Below the login section is a "Welcome to the Taylor Public Library Catalog!" message. Underneath the welcome message is a row of book covers: "DOG MAN" by Dav Pilkey, "IT'S A CHAMELEON!" by Susan Burton, "Jojo Moyes The Ship of Brides", "JAN KARON TO BE WHERE YOU ARE", "Cryobiology", and "Dr. S".

Below the book covers is a "Log in to your account:" section with the text "To manage reserves, renewals, etc.". This section has two input fields: "Card Number" and "Phone Number or Password". Below these fields are "LOGIN" and "CANCEL" buttons.

At the bottom of the page is a "Card Number Shortcut:" section with the text "Type the characters after 27721:" and an example "eg: 2772100047398Q". Below this is a "Forgot your account info? Never had an account?" section with the text "Email us: [bookrenew@taylortx.gov](mailto:bookrenew@taylortx.gov)" and "Call us: 512-352-3434". A red arrow points to the "Card Number Shortcut:" section.

Not sure how to enter your card number?

As soon as you click on the box for your library card number, there is a hint on what to use.

Once you are into your account, you should take time to see all that you can do—renew your own books, place requests or reserves, make a list of books you'd like to see with bookmarks, and view your circulation history. Any outstanding fines & fees can be found in the **Account Info** tab.

Now you can pay for any library fines or fees online via PayPal. PayPal payment is available only for fines of \$1.00 or more. There is a \$1.00 processing fee for using PayPal. PayPal is not free for the library to use—PayPal charges us a processing fee per payment and takes a small percentage of any payments.

To pay your fines & fees online, click the grey bar:

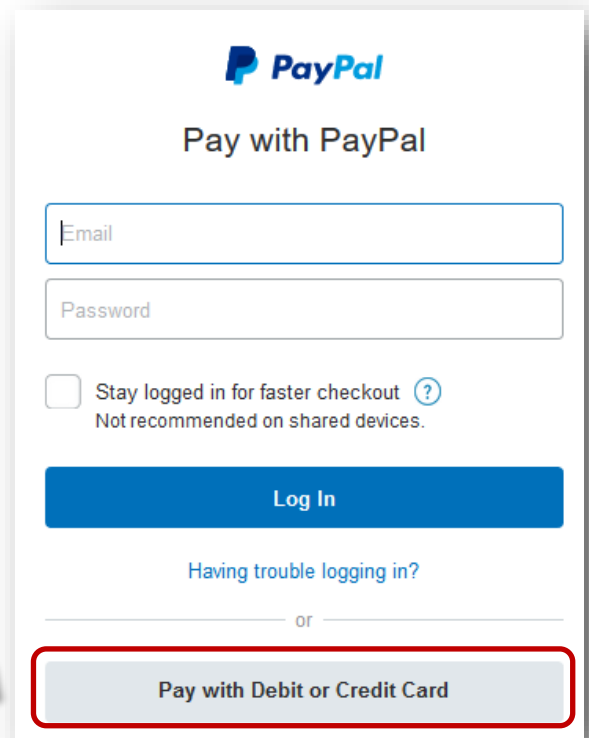

Pay \$3.00 with a credit card online (includes \$1.00 fee)

By clicking the payment button, you are now taken to a PayPal screen.

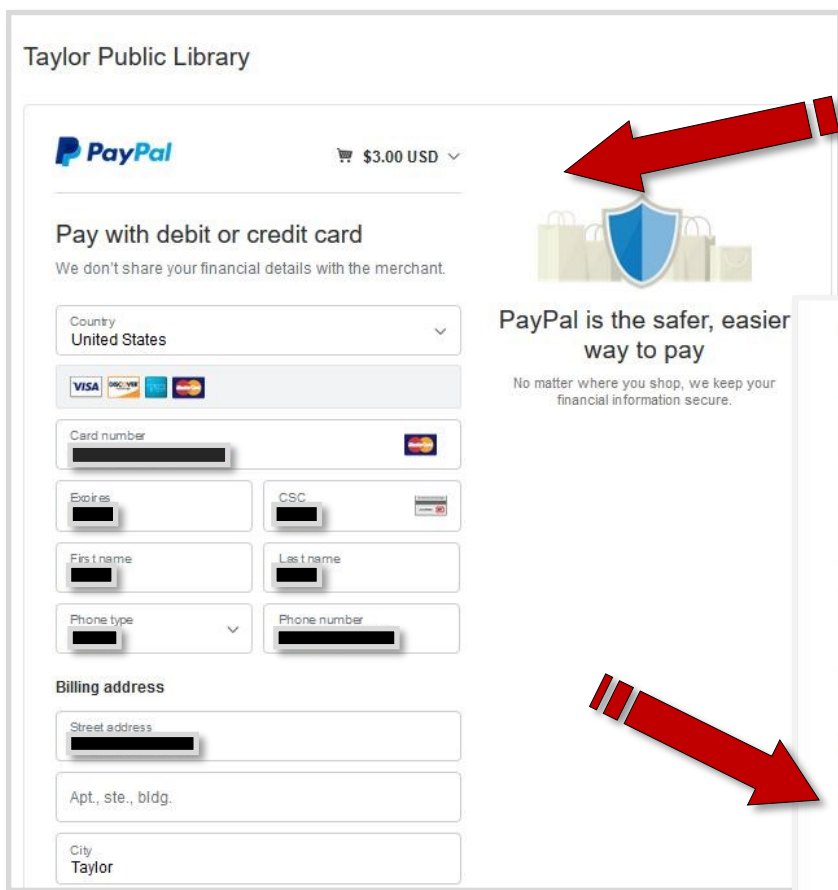

If you have a PayPal account, you can log in here.

No PayPal account, no problem, just click “Pay with Debit or Credit Card.”

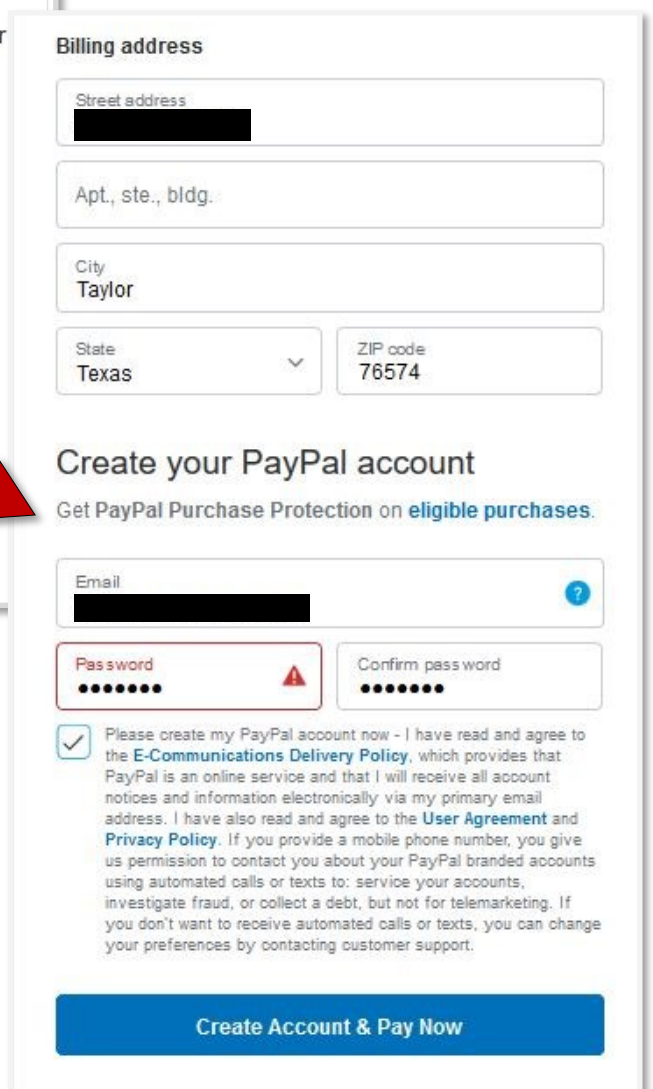

If you’ve ordered anything online, the form is pretty much uniform.

The image shows a PayPal login and payment options screen. At the top is the PayPal logo. Below it is the heading "Pay with PayPal". There are two input fields for "Email" and "Password". Below these is a checkbox labeled "Stay logged in for faster checkout" with a help icon and the text "Not recommended on shared devices." Below this is a blue "Log In" button. Underneath is a link "Having trouble logging in?". At the bottom, there is a button labeled "Pay with Debit or Credit Card" which is highlighted with a red rectangular border.

The image shows a PayPal payment form for Taylor Public Library. The header includes the PayPal logo and a cart icon showing "\$3.00 USD". The main heading is "Pay with debit or credit card" with a subtext "We don't share your financial details with the merchant." Below this is a section for card payment with fields for Country (United States), Card number, Expires, CSC, First name, Last name, Phone type, and Phone number. To the right of these fields is a message: "PayPal is the safer, easier way to pay" and "No matter where you shop, we keep your financial information secure." Below the card payment section is a "Billing address" section with fields for Street address, Apt., ste., bldg., City, State (Texas), and ZIP code (76574). Two red arrows point from the "Pay with Debit or Credit Card" button in the previous screen to the card payment section and the "Billing address" section.

The image shows a PayPal account creation form. The heading is "Create your PayPal account" with a subtext "Get PayPal Purchase Protection on eligible purchases." Below this are input fields for "Email", "Password", and "Confirm password". There is a checkbox labeled "Please create my PayPal account now - I have read and agree to the E-Communications Delivery Policy, which provides that PayPal is an online service and that I will receive all account notices and information electronically via my primary email address. I have also read and agree to the User Agreement and Privacy Policy. If you provide a mobile phone number, you give us permission to contact you about your PayPal branded accounts using automated calls or texts to: service your accounts, investigate fraud, or collect a debt, but not for telemarketing. If you don't want to receive automated calls or texts, you can change your preferences by contacting customer support." Below this is a blue "Create Account & Pay Now" button.

To the right is just a continuation of the form above, filling out the billing information. Again, this is just like any online payment form.

PayPal would very much like you to create a PayPal account, however. This is not required.

Our sample patron already had a PayPal account, so payment was made with their PayPal account.

Once you have paid, you will get a confirmation like the one to the right. You can also get an e-mail confirmation.

Sometimes it takes a while for the payment to show up in your record, though lately that has sped up quite a bit.
